

PRICE RESEARCH CENTER NORTH VIRTUAL TOUR

THE WINDOW IS ALWAYS OPEN...

You are just a click away from an interactive virtual tour of Price Research Center North (PRCN). Digital navigation allows you to explore our 29,000 sq. ft., state-of-the-art, research and testing facility, at your leisure.

The 360° virtual tour showcases the latest in HVAC technologies featured throughout PRCN, where Price systems and solutions are tested and developed. Pre-recorded tours are hosted by our team of product experts who will guide you through the facility, from the comfort of your own home or office, at whatever pace you choose.

In this first phase of release, visitors can learn about:

- + Airborne Pathogen Reduction
- + Critical Environments
- + Antec Controls

Throughout 2021, we will continue to release additional tours including Air Moving, Noise Control and Stratified Systems.
